PC Claire Wilson PCSO Possnett

LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months.

Our priority(s) for the next quarter is:

**Anti-social Behaviour
Jubilee Drive, Market Deeping**

The next quarter's focus will be decided at the beginning of December so if you have any issues and feel they should be considered, please get in touch, and give us some brief details.

WHAT'S BEEN HAPPENING

The new PCSOs have started their training and will be introduced into the community soon.

Roads Policing

After receiving reports of vehicles speeding in the area, PCSOs have been supporting the Roads Policing Unit by conducting speed checking on the A15 and will be continuing this and in other areas.

If you have concerns regarding speeding in your area, then please contact us using the email above.

ASB

We have seen an increase of reports of persons involved in knock and run. With the help of CCTV, community discussion and school involvement, we have been successful in getting positive IDs of the offenders. Parent's of the children are now aware of the issue.

FORTHCOMING ENGAGEMENTS

PCSO Rogers will be having a short break from duty to become a mum so the remaining two PCSOs from Bourne & Market Deeping will be covering the Stamford area until our new officers start. They will be supported as always by PC Wilson, Sgt Crisp and new Community Beat Manager PC Collinson.

As the new school term has started, our PCSOs have been attending to conduct Mini Police talks. PCSO Possnett has also arranged extra talks on the subject of ASB at many other schools in the Bourne area.

Do you have any engagements that you would like us to attend? Community engagements are a great part of all that we do, and we would love to attend where we can.

If you have an event, you would like us to attend, then please contact us with details.
